3.1. PDW 2020 Recap (K. Bishop, W. Bao)

3.1.1. Everyone had a really good time, we did really well in competitions!

3.1.2. Nick is our nation PIC winner, our compounding team won 1st place nationally, and our Pharmafacts team came in 3rd, Riaaz came 2nd nationally in the student literary challenge

3.1.3. Nick, Tara, and Brittany came to present May Measurement Month to National Council

3.1.3.1. Very well received, did a great job!

3.2. National By-Elections (K. Bishop)

3.2.1. Available positions: Pres-Elect (3 year term), Executive Secretary, VP Communications, Finance Officer, Webmaster

3.2.2. Release election package and positions available on Facebook on January 17th, 2020

3.2.3. If you or anyone you know is interested, please encourage them to apply! Deadline to apply is January 31, 2020

3.3. Faculty Giving Day (K. Bishop)

3.3.1. UBC Faculty of Pharmacy Giving Day, asked CAPSI with PhUS and LKS to be Giving Day Ambassadors

3.3.2. The Faculty's Social Media Driven Day on April 7th, where they are asking for donations to 2 funds

3.3.2.1. Faculty of Pharmaceutical Sciences Royal Community Placement Award and Faculty of Pharmaceutical Sciences Bursary

3.3.3. What they want from us is to post on our social media sites about Giving Day leading to the day of and on the day

3.3.4. Unsure how we can contribute, as our platform reaches mostly students which would not be likely candidates to be donating to these funds

3.3.4.1. A lot of work (multiple posts on our social media sites), just for us to be pushing this to students

3.3.5. Could be something we can disseminate to CAPSI Alumni, but there is no proper channel for that either currently

3.3.5.1. We can push the information to the Junior and Senior Alumni chat, and if anyone is interested they can donate if they want

3.4. Membership drive (K. Bishop)

3.4.1. Now until Jan 31 to submit a new list of new members to National

3.4.2. Ideas: boothing in the atrium, membership benefit social media campaign?, Cookies w/CAPSI?, what else?

3.4.3. So far in January, Bell Let's Talk with CAPSI on January 29th

3.4.3.1. We can do a membership drive table next to it?

3.4.4. We can do a social media post/abbreviated in class announcement about the benefits of a membership

3.4.5. Membership drive advertised as the last chance to get membership at the current price before increase

3.4.6. **ACTION**: Information Session on January 27th at lunch

3.4.7. **ACTION**: Start document listing membership benefits people would actually be interested in

3.5. Bringing Marni Panas to UBC for a seminar on the transgender community (N. Sosulski)

3.5.1. The transgender community has difficulty accessing healthcare, and feels very unwelcome in the healthcare sector where they do not feel comfortable even going to the emergency department

3.5.2. Through education and exposure we can address these barriers, for pharmacy students and possibly all healthcare students

3.5.3. Marni Panas is an inspirational and phenomenal speaker educating about the transgender community through a member and patient's point of view

3.5.4. Would be coming from Edmonton to give a seminar, and it would need to be economically feasible for her to come to UBC

- 3.5.4.1. How CAPSI and the council can help is through funding (alongside other clubs and the equity office)
- 3.5.4.2. Funding would be for the flight and hotel fees
 - 3.5.4.2.1. Also need to think about the transportation fees in between places, should also give at least \$50 speaker's fee as an honorarium
- 3.5.4.3. **SUGGESTIONS:** if make the seminar campus wide, can charge a \$5 admission fee, reaching out to UBC sororities and UBC Central, PhUS minor initiatives fund
- 3.5.4.4. Marni Panas may be coming on March 17th, has something lined up but not yet confirmed here in Vancouver
- 3.5.4.5. **IDEA:** Would be nice to have a more pharmacy focused aspect to the talk, especially if doing the seminar as part of PAM. We can have Marni speak for an hour, and have a pharmacist knowledgeable about transgender and LGBTQ+ community speak after
- 3.5.4.6. Timeline: Ideally we would like Marni to be here late February or March for PAM
- 3.5.4.7. If planning needs a longer time or things don't work out, would still like this for next year
