Motion carried

3.1. **CAPSI Council Retreat - C. Ma (10 min)**

Interest form: <https://forms.gle/3zm4xYiyKpY8QLCv9>

Not many people filled out the form, thank you to everyone who did! Event date will be February 27 afternoon or evening. Vancouver Aquarium, MacMillan Space Center, and a hike were popular ideas. A group chat will be made with whoever is available and interested to confirm what the event will be. Council seems interested in clothing as well. If you have any ideas for clothing or merch, fill out the form or message Aneet & Celia about it.

3.2. Canadian Society of Pharmacology and Therapeutics National Committee - C. Ma (10 min)

CSPT has reached out to CAPSI UBC would be interested in joining a national committee to promote pharmacology awareness in Canada. Information:

- Committee is currently made up of representatives from across the country.
- The intention is to bring together student leaders who have an interest in pharmacology and public outreach, and to learn about the initiatives that are already happening in their communities (if any).
- They plan to organize a Pharmacology Awareness Day on May 5. “Over the counter drugs” was selected as the theme for the 2022 campaign. Subcommittees from each institution will have related events, and there will be infographics and posters that can be shared on social media nationally.
- Creating infographics/presentations for commonly asked questions/misunderstandings/topics on OTC drugs.
- Mentorship program: <https://pharmacologycanada.org/mentorship>

Should we incorporate this as a subcommittee within CAPSI UBC? Trial for a year? Or have it as a separate “club”? Is anyone interested in heading this pursuit? Should we post on fb and ask if members are interested in this.

D.Tse: What does this committee do?

C.Ma: They’re focused more on research, postdocs, and grad students.

N.Le: Should we refer this to other programs like pharmacology?

M.Dhillon: We should open it up to the entire student body. It’s applicable to everyone, there might be a lot of interest in this.

C.Ma: we will bring up these ideas in our meeting with them.

4. New Business

4.1. Vampire Cup - E.Blacklaws (5 min)

4.1.1. It’s been ongoing for a while; we have had 2 donations so far. Next event is on March 10, open for everyone.

4.1.2. Action: Year reps to promote this event by making in-class announcements. We will continue to post on social media to promote it.

4.1.3. J.Liang: Should we just emphasize the March 10th event?

4.1.4. E.Blacklaws: Yes.

4.2. CAPSI Winter Annual General Meeting - C. Ma (5 min)

Please attend and tell your CAPSI friends to attend as well. We require 20 members to be present to meet the quorum (otherwise we'd have to try again). **If you are unable to attend, please message Celia with your reason why.**

We are required to do 2 annual general meetings. We originally wanted to hold it in person and have some food, but we couldn't because of covid. So, it's going to be held on February 16th at 12 pm on Zoom, and we will be offering gift cards to promote attendance. Encourage your friends in CAPSI to come. Everyone is expected to be there.

J.Liang: On the event page it says it's going to be on the 18th?

C.Ma: This is a PHUS event. Join them!

N.Le: Some people have another meeting at the same time.

C.Ma: Try to join if you can.
